# 1. Sustainable engagement programs

---

Opportunities to partner with the foundation to leverage funding for those looking to lead and invest in engagement programs.

## 2. Professional development: communication training

---

TKF to organize and offer a virtual communication training program (Spring 2021)

Seeking partners to tailor approach to meet your Institutes' needs

### 3. Kavli Institute community of practice

---

TKF to support Kavli Institute members and partners to connect

TKF to bring in experts and leaders

We will be seeking your input to design *who* wants to be connected, *how* to connect, and *what* topics to focus on
